## Headquarters

1350 Welsh Road, Suite 200  
North Wales, PA 19454  
800.701.9369

## Reducing Injuries and Losses

Our team of certified safety professionals (CSP), certified industrial hygienists (CIH), injury prevention and fleet safety professionals can assist your policy holders to develop or optimize safety programs including the following areas:

- Needs Assessment and Loss Analysis
- Workplace Safety Inspections
- Safety Policy and Procedures
- Safety Committee and Supervisor Training
- Fleet Safety Programs
- Industrial Hygiene and Ergonomic Assessments
- Injury Investigation and Management Procedures
- Job Safety Assessments

## Highly Trained and Engaging Trainers

CMI's team of professional trainers can also work with you to create training programs designed to improve your safety performance. This includes programs geared toward managers and supervisors as well as employees. We can provide train-the-trainer programs as well as instructor-led programs in the following areas:

- Accident and Injury Investigations
- Safety Committee Optimization
- Ergonomics and Safe Lifting
- Inspections for Incident Prevention
- Preventing Slips, Trips and Falls
- Fall Prevention/Ladder Safety
- Safety Management for Supervisors
