**About CMI**

Compliance Management International (CMI) is a professional management firm that provides organizations of all sizes with hands-on solutions to Environmental, Health and Safety (EH&S), Department of Transportation (DOT) and Insurance risk management issues.

Core Services

- Health and Safety Support (OSHA)
- Industrial Hygiene / Indoor Air Quality
- Loss Control for Insurance Programs
- EH&S Training Programs
- Auditing and Assessments
- Environmental Management
- Emergency Management
- Energy Management/Sustainability
- DOT and IATA Compliance
- EH&S Software Solutions

Why CMI?

- We have been providing regulatory compliance services for over 15 years.
- Our team of professionals understand the compliance issues facing your industry.
- Our people empathize with our clients and work as an advocate for their interests.
- Our reputation is well established and most new clients come through referrals.
- We offer services to cover all of your EH&S needs so you can rely on one firm.
- CMI's team approach provides consistency and continuity during your projects.

CMI's company philosophy is built around two simple ideals: quality and responsiveness. We offer large company service with small company responsiveness. We're committed to giving you cost-effective solutions to your EH&S problems and the excellent service you deserve. Our service commitment has resulted in repeat business, referrals and long term relationships with numerous clients across client markets.
